

# The Rule for Messing Up

---

When we start taking action and doing things then the mishaps and mess-ups quickly follow on. So what...it doesn't matter. It's quite natural and it happens to everyone. After you've discovered that you've messed up just say: Oops, I messed up...and laugh about it along with everyone else (if it's funny) and you'll be amazed to discover that you'll survive the experience!
